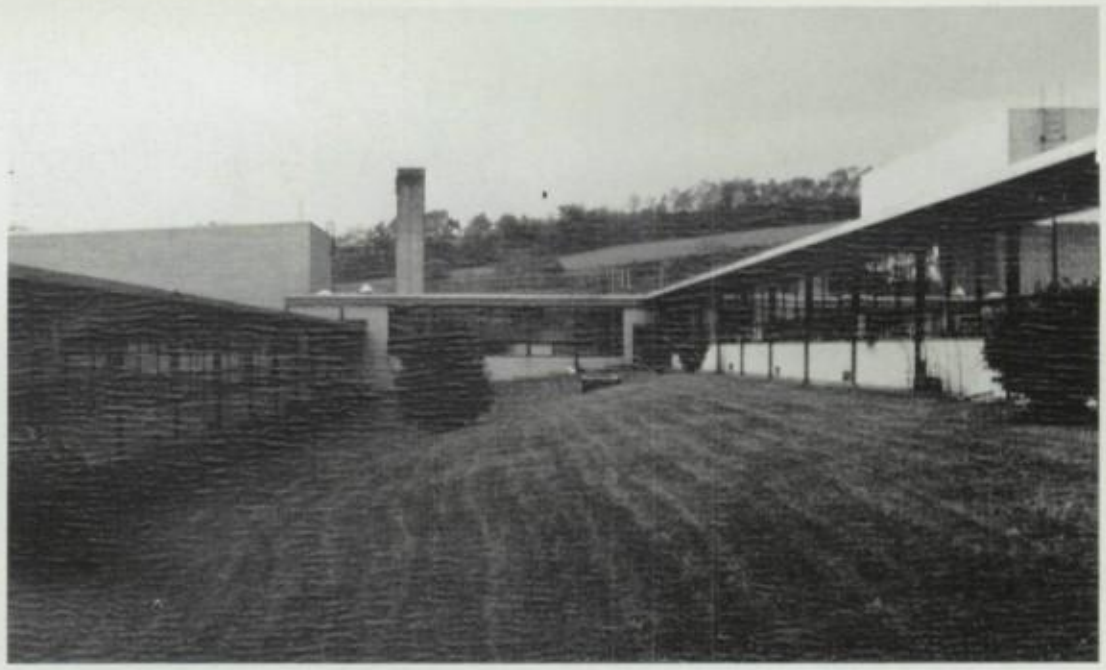
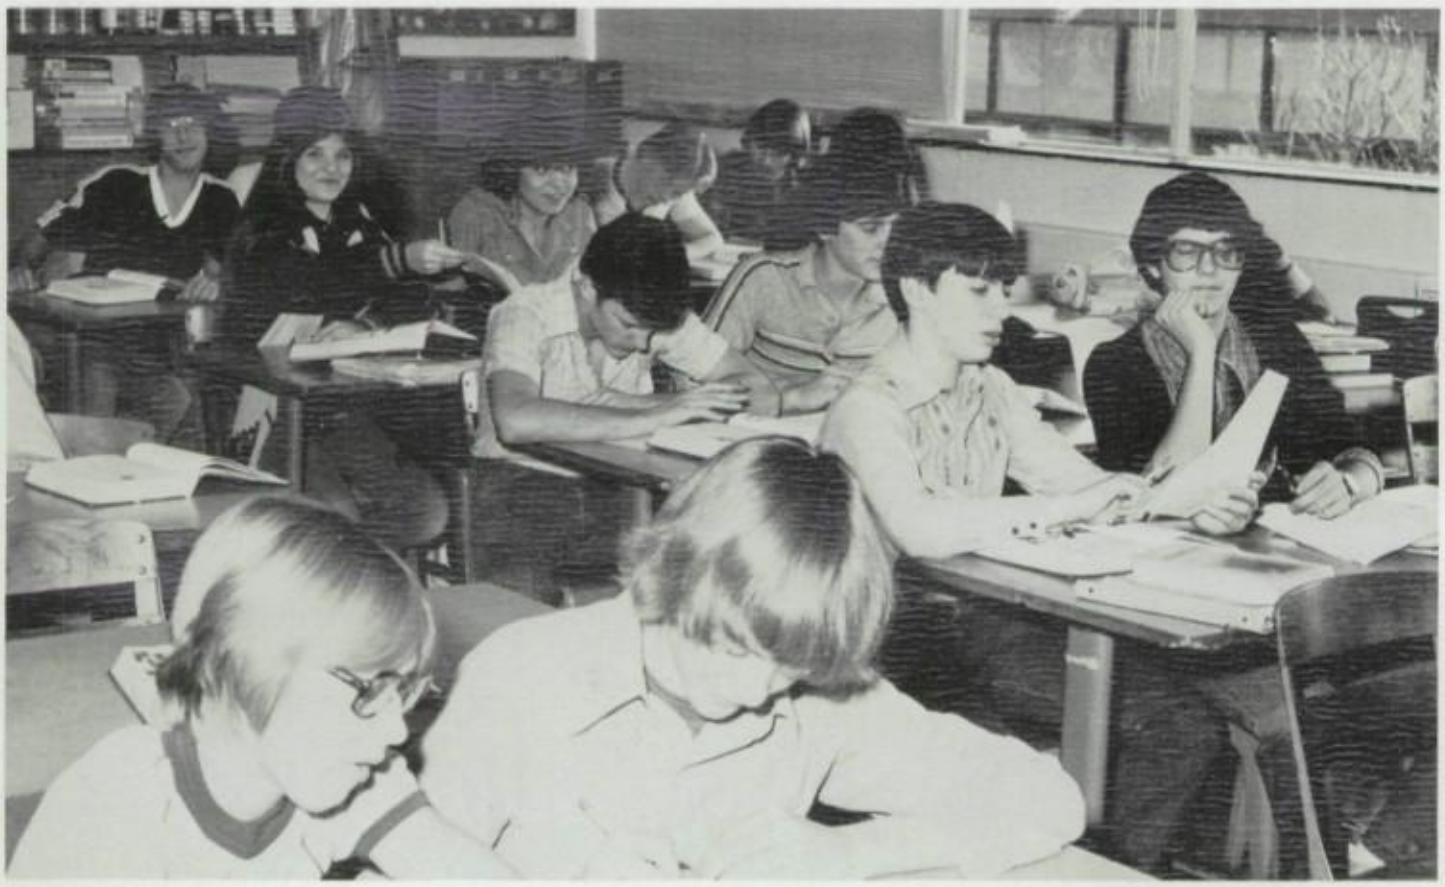
If You'll Believe In Me, I'll Believe In You.



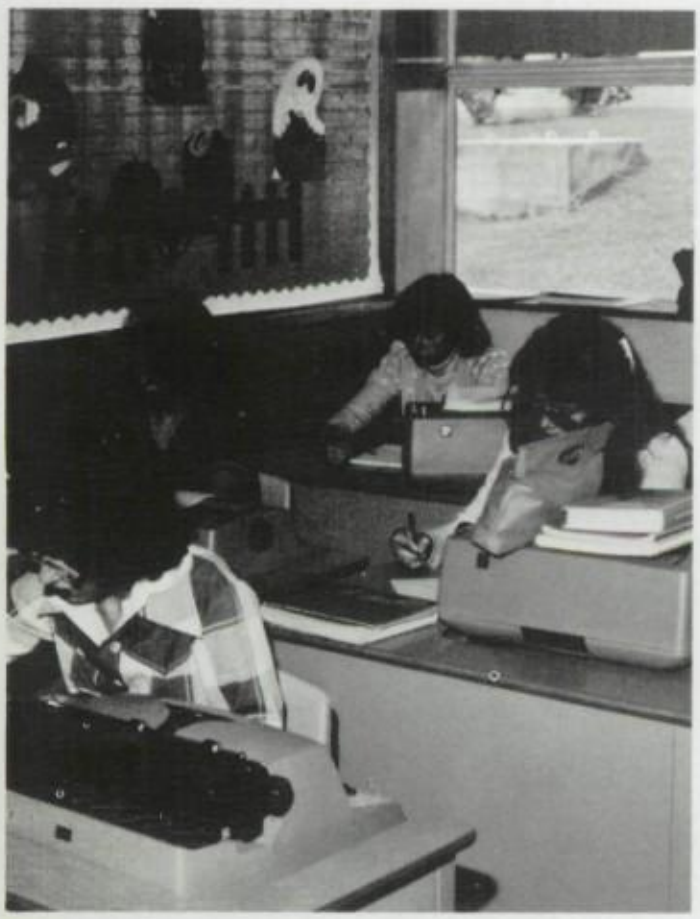
The Years Teach Much Which The Days Never Know.



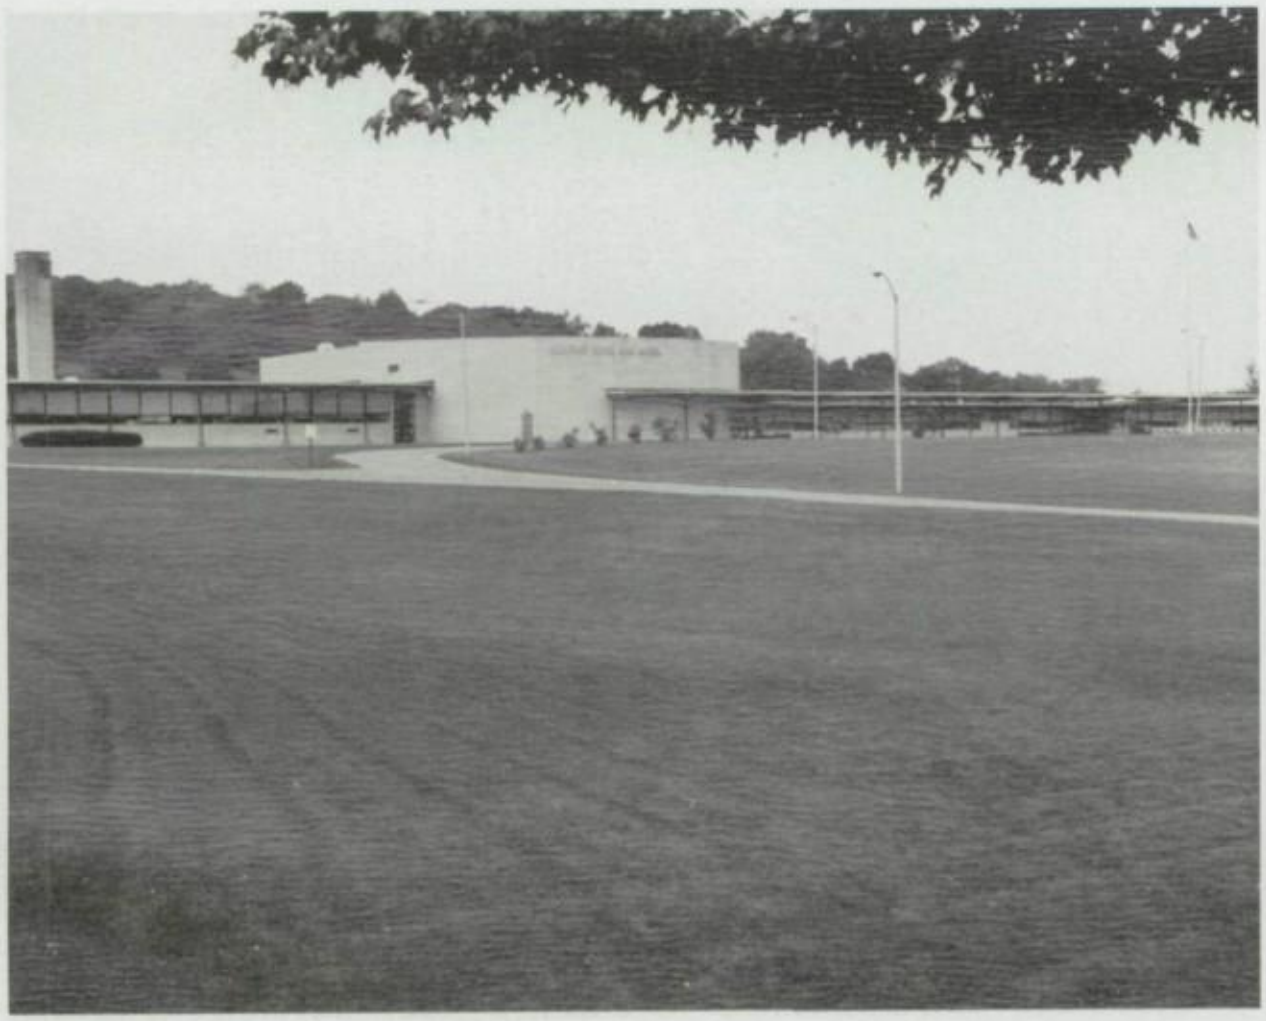
One Thing Everybody In The World Wants And Needs Is A Friend.

A Loving Heart Is The Truest Wisdom.

The Reward Of A Thing Well



Done, Is To Have It Done.



Dedication

Each year the Senior Class votes on a teacher who has helped them during their years at Chestnut Ridge High School. We wish to thank one of the most dedicated and hard working teachers there is. Mrs. Stoner spent many hours with us during our Junior year preparing for the Prom and Buffet. She has always been there when we needed a leader who would support us and be a real friend — one who would lead but remain close enough for us to follow. Therefore, we are pleased to dedicate our year of "The Lion" to Mrs. Lois Stoner.

SAILING

Well it's not far down to paradise.
At least it's not for me.
And if the wind is right
you can sail away and find tranquility.

Oh, the canvas can do miracles,
just you wait and see.
Believe me.
It's not far to never, never land,
no reason to pretend,
and if the wind is right
you can find the joy of innocence again.

Oh, the canvas can do miracles,
just you wait and see.
Believe me.
Sailing takes me away to where I've always
heard it could be.
Just a dream and the wind to carry me,
and soon I will be free.

Fantasy, it gets the best of me,
when I'm sailing.

All caught up in the reverie;
every word is a symphony.
Won't you believe me?
Well it's not far back to sanity,
at least it's not for me.
And if the wind is right you can sail away
and find serenity.

God's Hand Touched Him And He Slept

Sunset and evening star,
and one clear call for me!
And may there be no moaning of the bar,
When I put to sea,
But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep,
Turns again home.
Twilight and evening bell,
And may there be no sadness of farewell,
When I embark;
For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar.

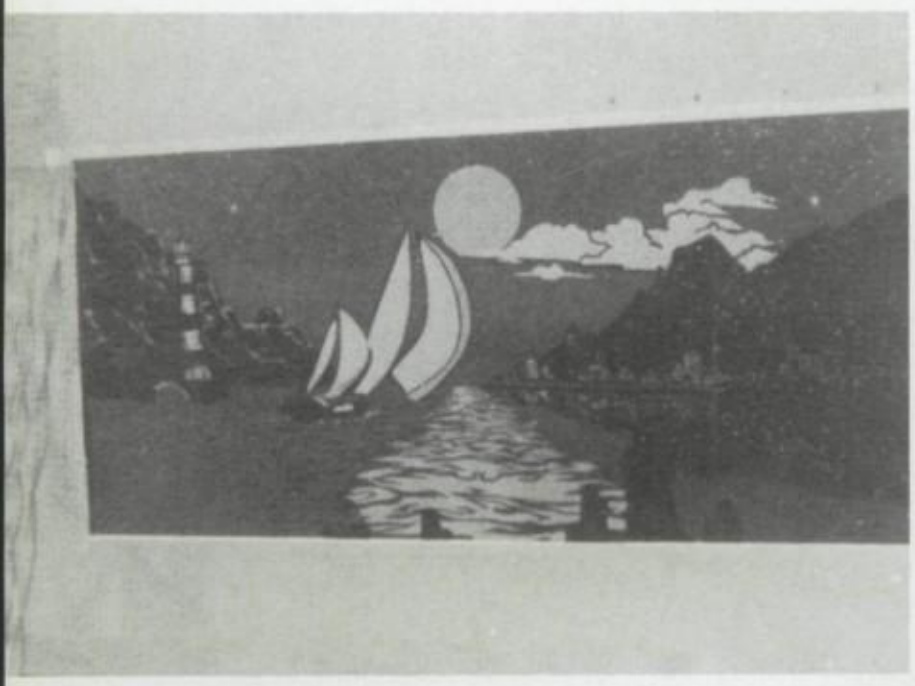
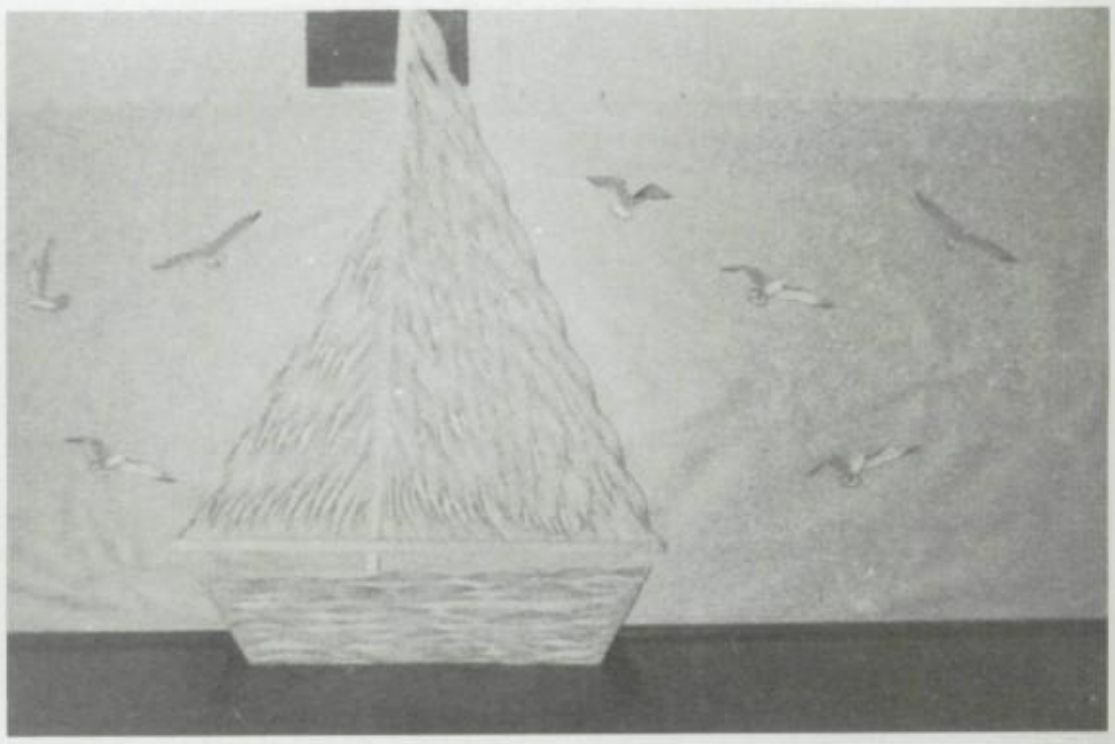
The 1981 Junior and Senior Prom





and Buffet

On April 4, 1981 the Junior Class held the Buffet & Dance. With careful preparation and a great deal of time from the Jr. Executive Committee it was an enjoyable occasion. The band added to the fun and excitement.

On May 30, 1981, the Class of 1982 presented a super Prom. The theme of this prom was "Stardust." The band, "Axis", did a wonderful job. The junior class worked hard to make the night a success. With a lot of help from Mr. Fran Harlan & Mrs. Lois Stoner the evening was one that will be long remembered by all those present.

The Class Of 1982 Invades Washington, D.C.

On November 12, 1981 at 6:30 a.m., 57 seniors left Chestnut Ridge High School for our national capital, Washington, D.C. First we picked up our guides Ruth and Mary (Poppins) and then went to Arlington National Cemetary to see the changing of the guards and to place a wreath at the Tomb of the Unknown Soldier. Everyone there from Ridge felt proud of their school and country. Representing Ridge at the wreath ceremony were seniors Paul Davis and Stef Harrison. The next stops were Scholl's Cafeteria, Ford's Theatre, and the Peterson House. After which we went to the FBI building where we were given a shooting exhibition by one of the agents. After dropping our bags at the hotel, we departed for the Gateway Dinner Theatre for the evening meal and a very funny melodrama called "Dirty Deeds at the Crossroads." The group from Ridge out-yelled everyone else there. Arrival back at the hotel was the end of the evening for our chaperones but NOT for us. After a sleepless night with several visits from the night watch and chaperones, we crawled to breakfast at the Gateway. Later we toured the White House and Capitol building. Next they let us loose to tour the Smithsonian Institute. By the end of the day with flat, blistering tootsies, the seniors and chaperones stumbled onto the bus for the long trip home. But the devilish activities of the 1982-to-be-graduates were not yet over. Some of us simply went to sleep but others decided to exercise the volume control on their mouths. Fortunately we arrived at our educational domain at 9:30 p.m., Friday, November 13, 1981.

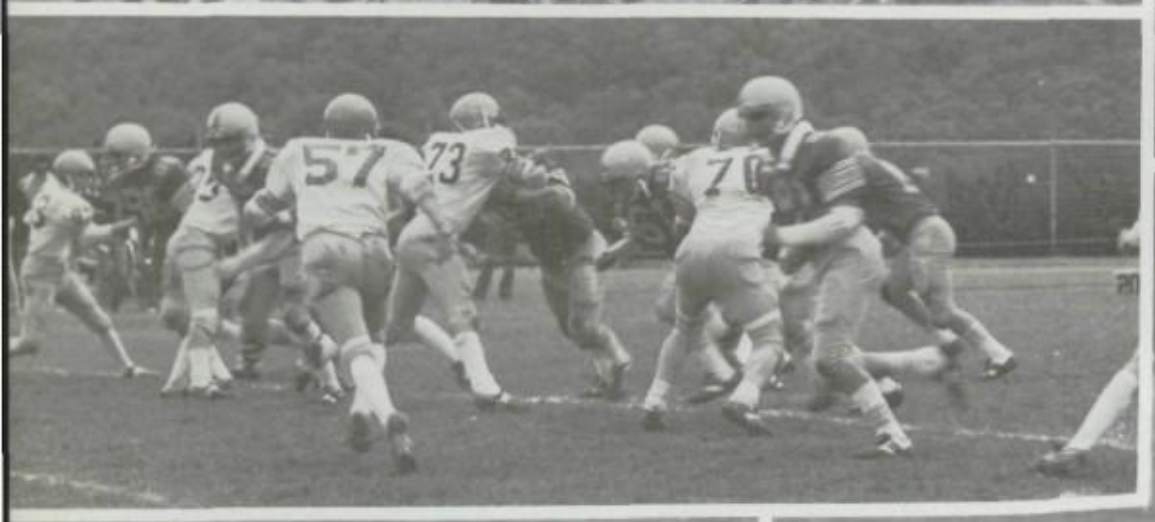
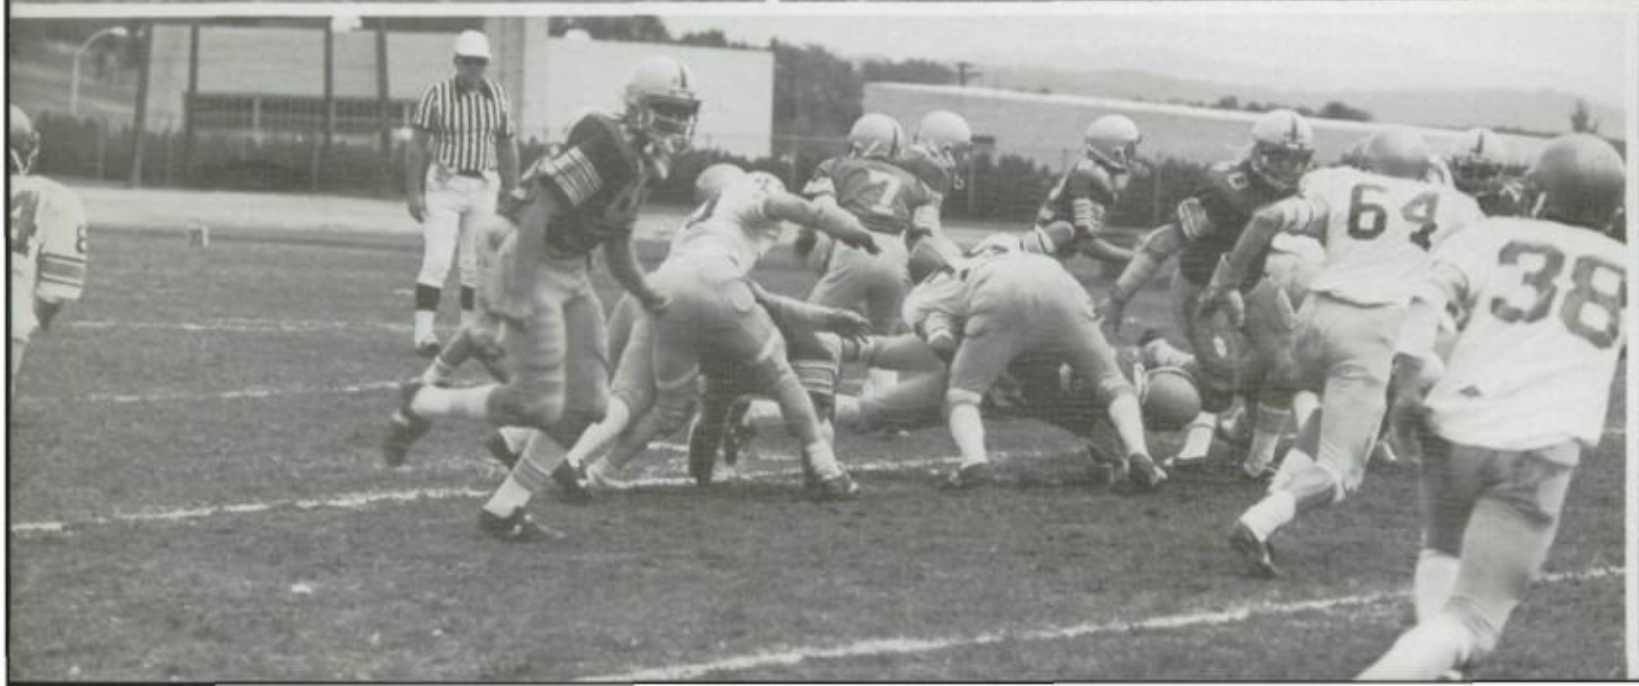
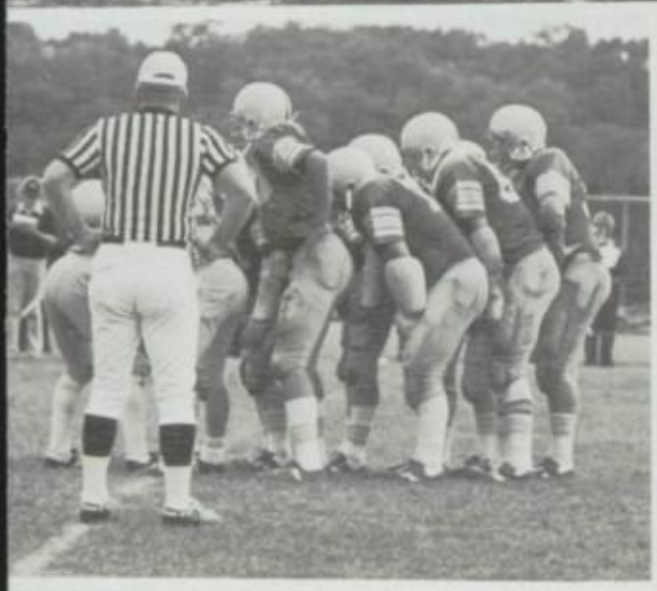
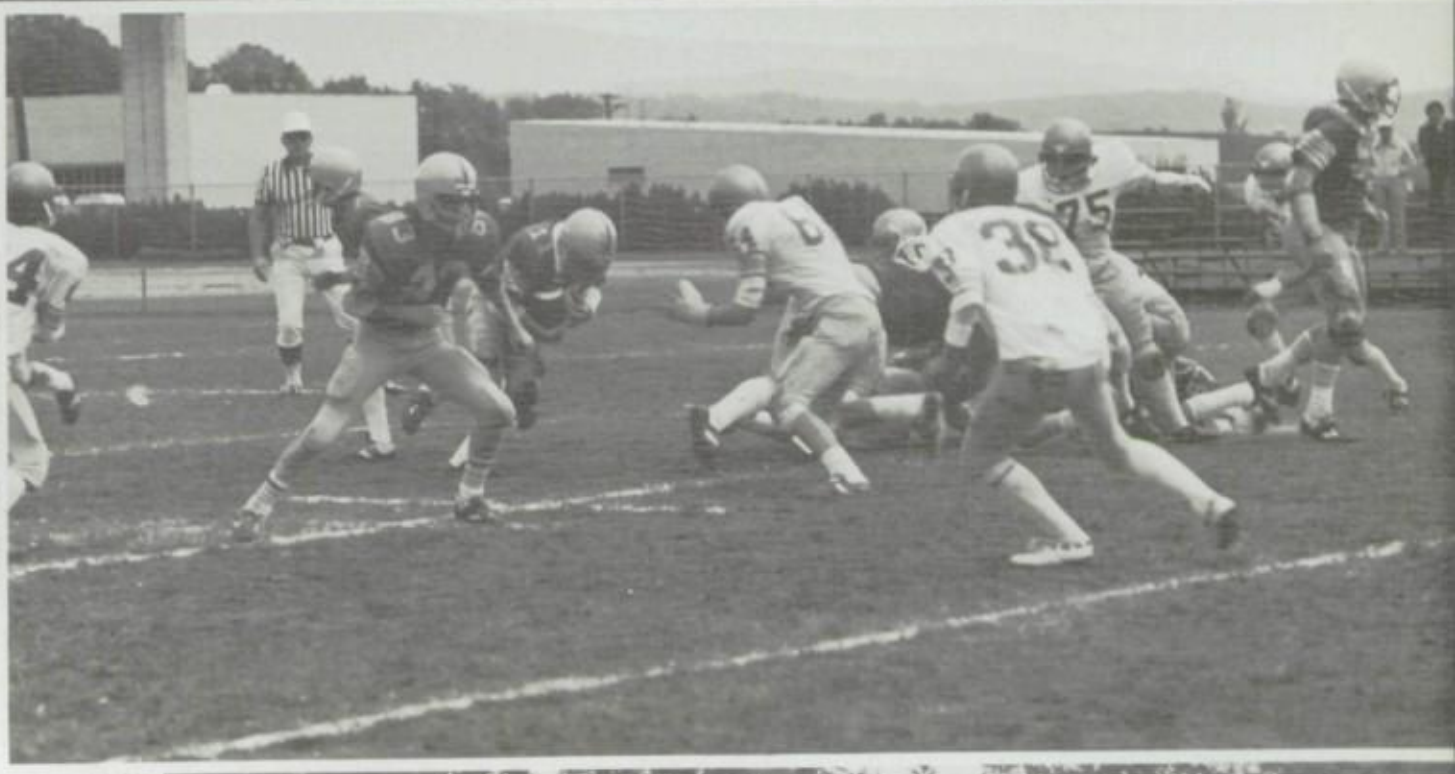
They played well all season and their biggest game was when they defeated previously undefeated Williamsburg by a score of 16-0 on our field in front of the whole Jr. high student body. Coach Dellinger deserves a lot of credit and thanks for coaching his team to its best record in quite a while.









Crowning Of Queen

"We didn't do as well as we expected, but we didn't expect the competition to be as improved," commented Coach Gregg. "We were a typical Ridge team. They posted a winning season. The last 3 ball games, they jelled and played exceptionally well. They will miss their Senior members next year. The other teams were also heavily loaded with seniors so next year will be exciting."

Senior Band Members

The Senior High Band is a group of about 120 students who spend a lot of time practicing. The band performs at football games and parades. They also have a concert at the end of the school year.

The band does a good job no matter what they do. They couldn't do it without their leader, Mr. Stefanik. Thank you, Mr. Stefanik, for your many hours of time you devote to the band.

Majorettes Highlight Halftime Show

An important part of the band is the majorettes. The majorettes put in a lot of hours practicing hard getting together the routines they perform for us at the football halftime shows and the many parades they attend with the band. The majorettes attended majorette camp this summer and learned a lot of the moves they do so well. So come out and see them perform for you. They won't let you down.

Seniors and Officers

The 1981-82 Chestnut Ridge Concert Choir has been making beautiful music all year long. Under the direction of Victoria Smith, the choir presented two concerts. A Christmas concert on December 20, and their Spring Concert on May 10, 1982.

The Choir was also asked to appear on WTAJ-TV channel 10 for the show "A Christmas in Keystone Country," which they showed the great deal of talent and enjoyment they do provide for us. Keep up the good work.

This year's Jr. High Chorus has been learning the principles of good singing. The Jr. High Choruses are very important because they are the foundation for the concert choir.

Before Miss Smith came to Ridge, there was only one chorus so she divided it into two groups in order to give the guys a fighting chance. There had been only two boys in mixed chorus. Plus this gives the students a chance to try out their singing.

There are currently 47 students in mixed chorus and 41 in girls chorus. Both performed with the Sr. High on December 20, 1981, and May 10, 1981.

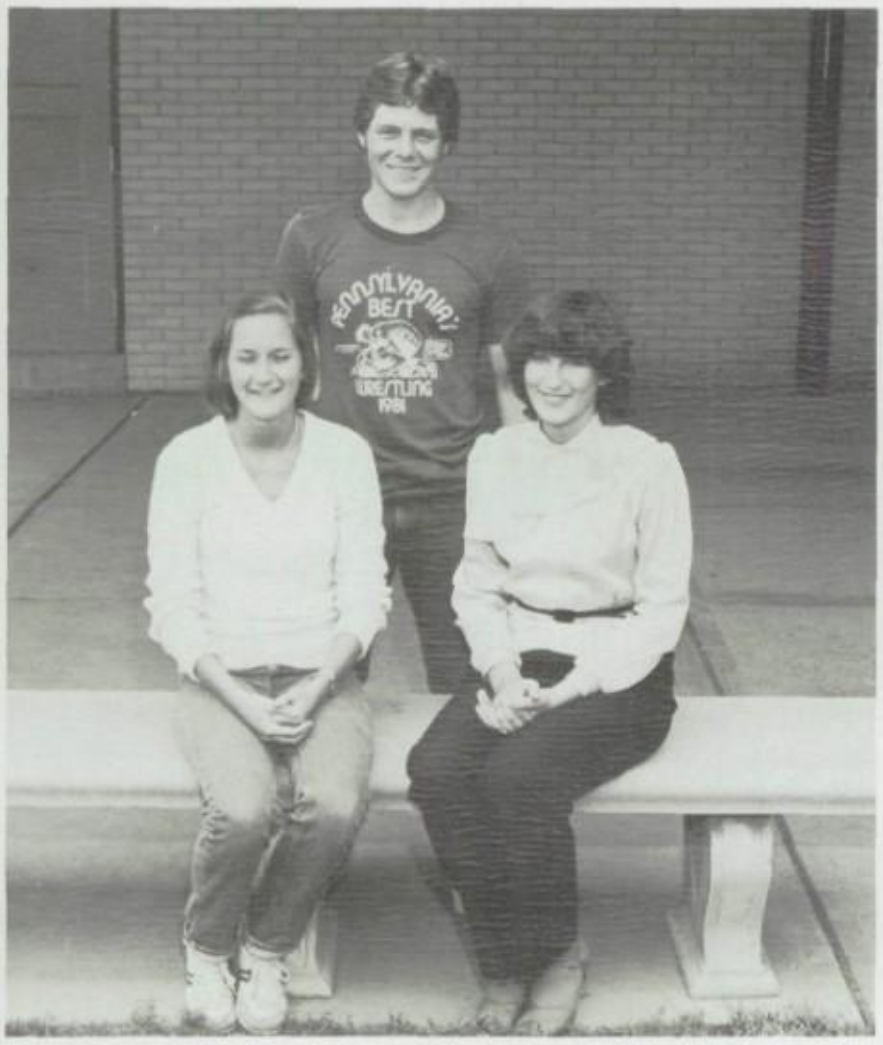
Student Council Officers



D. Showalter - President, J. Felton - Secretary, D. Imler - Treasurer

The Student Council is a group of students elected by the student body to represent our school at other schools. They do more than represent our school, of course, they hold dances for the school; and they also have the magazine campaign in which the junior high students sell magazines in order to raise money for the dances and for the assemblies we have. Without the student council we wouldn't have school activities.

Junior Executive Committee Plans Prom & Buffet

The duties of the Jr. Executive Committee are to select and organize the items to be sold for the Jr. Class sale. This raises money for the expenses of the prom and buffet. The Jr. Executive Committee hires the bands and makes the menus in addition to planning and decorating for both the prom and buffet.

National Honor Society

Although the prerequisite of being in National Honor Society is to have a high scholastic average, the emphasis of National Honor Society this year was to define the word "honor". We hold meetings during activity periods to rewrite the constitution of the National Honor Society. Membership is based on scholarships, leadership, character, and service. Institutions of higher learning recognize National Honor Society members as the most able students of their school.

Junior High Drama Club Performs For Grade School

Junior High Drama Club has been quite busy this year. They started the year off with a two-act play, *Up The Down Staircase.* Kim Arnold, a former junior high member played the lead role, Sylvia Barrett a new teacher facing a New York City classroom for her first teaching experience.

All members learned to apply make-up. Seventh graders took part in an elementary field trip; whereby, they presented a puppet show (complete with hand-made puppets) to primary classes. This was done in conjunction with the elementary library program. Eighth and ninth graders had spring performances.

The model Rocketry club was organized this year to provide an opportunity for students to learn more about rockets, to appreciate the time and skill involved in model building and to just have fun. It is not only man that makes the
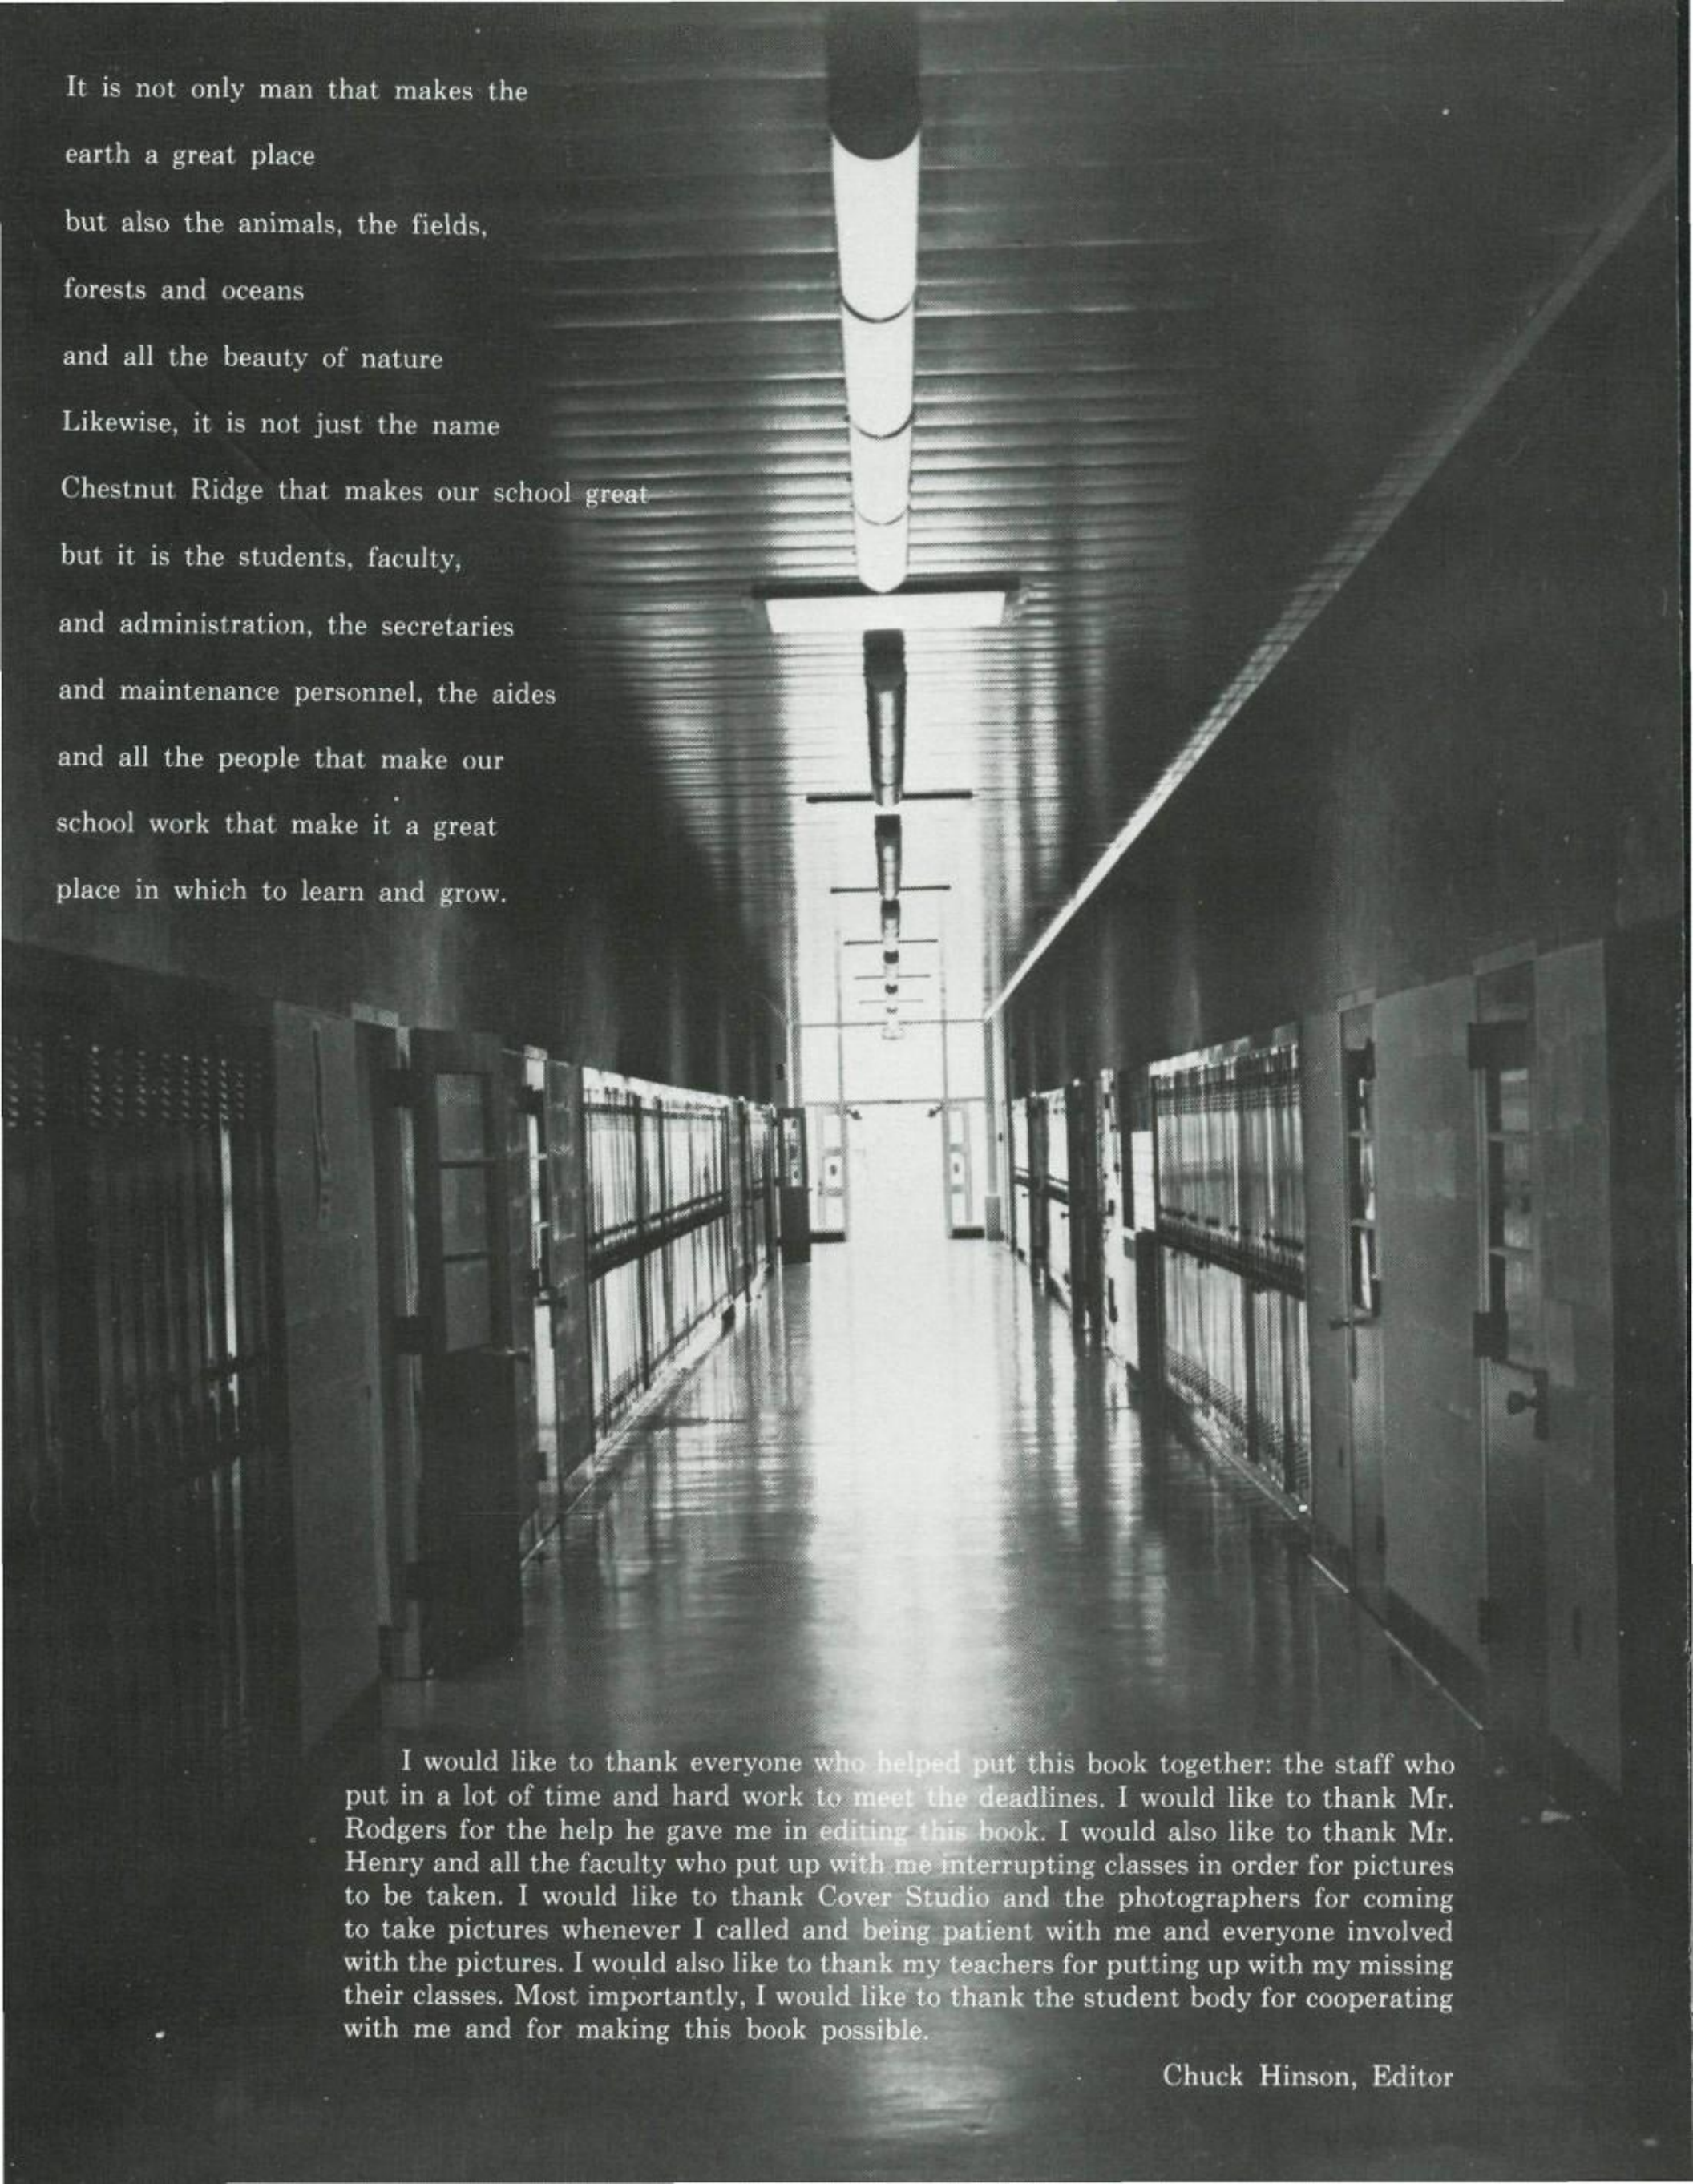
earth a great place
but also the animals, the fields,
forests and oceans
and all the beauty of nature
Likewise, it is not just the name
Chestnut Ridge that makes our school great
but it is the students, faculty,
and administration, the secretaries
and maintenance personnel, the aides
and all the people that make our
school work that make it a great
place in which to learn and grow.



I would like to thank everyone who helped put this book together: the staff who put in a lot of time and hard work to meet the deadlines. I would like to thank Mr. Rodgers for the help he gave me in editing this book. I would also like to thank Mr. Henry and all the faculty who put up with me interrupting classes in order for pictures to be taken. I would like to thank Cover Studio and the photographers for coming to take pictures whenever I called and being patient with me and everyone involved with the pictures. I would also like to thank my teachers for putting up with my missing their classes. Most importantly, I would like to thank the student body for cooperating with me and for making this book possible.
